

<b>Class Activity – Topic 4</b>	
<b>Student Name &amp; Nr:</b>	<b>14</b>

1. The Mama Africa restaurant has been affected severely by the government imposed border closures, due to Covid-19. (7)

Graphically illustrate and explain the effect that the above statement would have on the 'Demand Curve' of the restaurant.

2. Mama Africa has recently bought the deli next door, in order to expand their restaurant and accommodate more customers. (7)

Graphically illustrate and explain the effect that the above scenario would have on the 'Supply Curve' of the restaurant.
